

## REMARKS

A Restriction has been requested among the following two groups of claims:

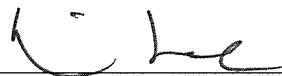

- I. Claim 1, drawn to a method of treating anthrax, classified in class 514, subclass 089;
- II. Claim 2, drawn to a composition of formula, classified in class 514, subclass 089.

In response, Applicant elects Group II, corresponding to claim 2. The present election is made without prejudice to rejoin the non-elected claims in the application upon allowance of one or more of the elected claims by including the limitations of an allowed claim in the withdrawn claims, or to file one or more divisional applications directed to the non-elected subject matter.

In view of the foregoing comments, it is respectfully submitted that the application is now in condition for examination. If necessary, the Commissioner is authorized in this and concurrent replies to charge payment (or credit any overpayment) to Deposit Account No. 50-2298 for any additional required fees.

Dated: September 22, 2009

Respectfully submitted,
